

SUPER ROOF GLOSS

WITH BIOQUELL™

Super Roof Gloss is the ultimate acrylic roof glaze with the longest lasting beauty and durability available anywhere, at any price! This premium roof glaze is a great choice for Concrete Tile Roofs, Bermuda Roofs and even Metal Roofs and is our best choice as a topcoat for Elastomeric Roof Coatings. Our unique 5-fungicide, Bioquell system gives you the longest term mildew, mold, fungus and algae protection in the industry for brilliant, long lasting beauty.

Surface Preparation: Surfaces must be clean and free of all oil, loose or chalking paint, silicones and all biological growth. New Surfaces: Prime bare concrete with Acry-Tech Primer. Prime bare metal with a water based rust inhibitive metal primer. Previously Painted Surfaces: Remove loose dirt, chalking paint and biological growth. Prime concrete and porous surfaces with Acry-Tech Primer. Prime rusting metal surfaces with a water based rust inhibitive metal primer.

Application: This product can be applied by airless sprayer, brush or roller. Apply generously with overlapping strokes. Textured and porous surfaces will require more coating. Do not apply this coating to a wet surface or when surface temperature is or will be below 50 degrees F. Wash spills and tools with soapy water.

Technical Data: Wt per gal.(#) 10.35 Visc. 10 Kcps UV Resistance - Excellent!
Recommended Coverage Rate: 150 - 200 sq. ft. per gallon
(150 sq. ft./gal. over bare concrete & 200 sq. ft./gal. over Waterproofing)
